

EVERSDAL

LAERSKOOOL
PRIMARY SCHOOL

ANNEXURE A

The area identified below is regarded as being in such close proximity to the school that the exclusion of a learner living within its bounds would be so unreasonable as to be indefensible, save in the instance of specific disqualifying factors, including but not limited to: not meeting the age norm or academic requirements for entry, late submission of an application or identified behavioural disruptiveness. The area concerned will include all dwellings and **work places**, which are closer to this school than to any other, following the shortest practicable and reasonable route from that place to an entry point to the school.

Order of preference until the school has reached capacity:

- A. Dwellings where Eversdal Primary School is the closest school.
- B. Brothers and sisters of siblings, where the siblings will be in the school the following year.
- C. Workplace where Eversdal Primary School is the closest school.

The following are examples of areas within the geographic areas:

- **Closest school** (geographic closest school) e.g. Everglen; Durbell; Eversdal; Chantecler; Stellenryk; Stellenberg; Glen Ive; Bethanie; Rosendal; East Rock; Silverstream.
- **Also included are some streets in the following suburbs** (not closest school – grey areas) e.g. Amanda Glen; Vredeloof; Vredeloof Heights, Stellenridge, Ridgeworth. (These parents must also consider enrolling at their closest school.)
- **Other areas:** These applicants will be placed on the waiting list and parents are encouraged to enrol their children at other schools as well.
