BOELIEPROGRAM – INTERVENSIE OM LEERDERS TE BEMAGTIG

Soos u reeds weet, volg ons hier by Eversdal ‘n beleid van GEEN BOELIE. Die voorkoms van boeliegedrag (in mindere of meerdere mate) is egter ‘n integrale deel van enige skool en ‘n probleem wat ons nou met hernude momentum gaan vasvat. Ons is baie trots om u in te lig dat ons vanaf 2019 ‘n boelieprogram, gebaseer op die Soetliefprogram, by die skool gaan aanbied. Leerders wat boeliegedrag openbaar, sowel as die leerders wat geboelie word, gaan deur hierdie program bemagtig en opgehef word om deel van die oplossing te word.

Die program loop hand aan hand met Eversdal se waardesisteem. Dit bestaan uit verskeie modules wat die betrokke leerders moet voltooi om sodoende ‘n sertifikaat te verwerf. ‘n Leerder sal kwalifiseer vir hierdie program wanneer hy/sy reeds drie keer detensie gesit het, of op ‘n gereelde basis die slagoffer van boeliegedrag was. Ons vra asb. vir al die ouers om ons te ondersteun in hierdie onderneming. U sal skriftelik ingelig word indien u kind moet inskakel by een van die programme.

Ons beoog hiermee om meer bewustheid ten opsigte van boeliegedrag en die impak daarvan onder ons leerders te skep.

Vriendelike groete

BULLY PROGRAM – INTERVENTION TO EMPOWER LEARNERS

As you already know, Eversdal has a strict NO BULLYING policy. The prevelance of bullying is, however, a reality in all schools and we have decided to tackle this issue with new vigour. We are honoured to inform you that we will be introducing a new anti-bullying policy in 2019. The policy will be based on the Soetlief programme and will aim to target not only the bully, but also the victim. In doing so, we hope to ensure that these learners become part of our solution and not the problem.

The programme will run alongside the Eversdal value system, which is already in place. It consists of various modules which the learners will have to complete in order to receive a certificate. When a learner continuously bullies other children or is the victim of continuous bullying, we will slot them into this programme. For this programme to be successful we request your support as parents. You will be notified in writing if your child qualifies for the programme.

With this programme we aim to create awareness around bullying and to empower our children to be able to deal with these situations on a daily basis.

Regards
