### **SPORTDRAG: HERROEPING VAN TOEGEWING**

Die waterkrisis en die droogte is beslis nog nie verby nie, maar in die lig van die opheffing van die waterbepelings het ons besluit om die kleredragvergunning op te hef.

Ons skool het 'n bepaalde etos en trots ten opsigte van ons skooluniform en die bont kleredrag het nie altyd baie netjies vertoon nie.

Daar is by ons en by ons leerders beginsels vasgelê ten opsigte van waterskaarste en ons glo ons het almal 'n kopskuif gemaak wat ons nog daagliks toepas. Ons skool gaan ook nog 100% voort met al die waterbesparings binne die skool.

#### **Opsommend dus die volgende:**

- Amptelike skooluniform soos vervat is in die klerebeleid (verwys na brief nr. 22), soos elektronies uitgestuur op Woensdag, 9 Januarie 2019 is van toepassing.
- **Hierdie herroeping van toeweging tree vanaf MAANDAG 14 JANUARIE 2019 in werking.**
- Sportdrag moet addisioneel saamgebring word vir enige buitemuurse aktiwiteite.

Vriendelike groete

Dear Parent(s)

### **SPORTSWEAR: REVOKING OF CLOTHING CONCESSION**

The water crises and the drought are certainly not a thing of the past, but in view of the lifting of the water restrictions, we have decided to lift the dress code concession.

Our school has a particular ethos and pride in our school uniform and the colourful apparel has not always been very neat.

We have established principles within our learners with regards to water scarcity, and we believe we have all made a shift that we still apply daily. We have also continued 100% with conserving of water at school.

#### **In summary, the following:**

- Official school uniform as contained in the clothing policy (refer to letter no. 22), sent electronically on Wednesday, 9 January 2019 applies.
- **The revoking of the concession will take effect from Monday 14 January 2019.**
- Sportswear must be brought along for any extramural activities.

Regards

**MR. H. L. ARANGIES**
