### **Other matters of interest**

- Each choir member is responsible for his/her **OWN TRANSPORT.**
- Choir members will have to wait before and after their performance. Therefore they should bring something along to keep them busy and quiet... such as a book to read, homework or games. It is important for them to be calm before their performance. It ensures concentration and will help them to do their best.

This event is always an important highlight for us as conductors and accompanists. We enjoy the privilege to work with your children and believe that they will do their best.

Thank you for your co-operation!

Kind regards
