Die Everbraai 2018

Deur: Sjinene Greyling en Mieke Kühn

Hierdie jaar het die everfamilie die jaarlikse everbraai by gewoon. The parents joined to form an ever community in a night of fun and fire.

Almal het 'n wonderlike aand gehad terwyl hulle lekker vleis eet en geselskap geniet langs die warm vuur. The learner really had a wonderful evening as they had the opportunity to play games the whole evening. Die ouers het vir hul kinders lekker vleis op die vuur gebraai sowel as sosaties en ook wors. While the children were playing around the parents decided to have some fun with the glow stiks.

Die kinders het omtrent baie geld uit hul ouers gekry om amper die hele snoepie oor te koop. Some children had such a big sugar rush you can see it coming from a mile away. Die kinders het omtrent lekker gespeel terwyl die ouers omtrent 'n hond uit 'n

bos gesels het. Some of the childrens' parents dropped them off and went home and when it was time to go home they picked them up again. Baie van die kinders het n lekker tyd gehad om te dans en saam met die musiek te sing.

A grade 5 learner of Eversdal said : She really enjoyed the annual Everbraai of Eversdal. Die meisie wat dit ges het was Isobel Steyn. Even some old Evers from Stellenberg and other schools came to the Everbraai. Ek dink ons almal sal se dat die Everbraai 2018 werklik die beste een sover was.
