## First week of Grade 7

Everyone seems to be enjoying Grade 7 so far especially with their new Jackets and Teachers.

These are the following reviews of the Grade 7 Jackets:

“I like the back but would have preferred a little more blue in front .” said one English Boy.

“Ek dink dat die baadjie lyk beter as wat dit laas jaar gelyk het,” sê ‘n Afrikaans Seun.

“I really love the colour scheme.” said an English Girl.

“Ek hou van die baadjie, maar dit is ‘n bietjie te rooi”, sê ‘n Afrikaans Meisie.

Baie mense is opgewonde om in ‘n komitee te wees. Daar is baie komitees om van te kies en ons is seker dat daar is een vir jou.

People are becoming more and more excited because of the selecting of Big Brothers and Sisters.

We would like to say a word of encouragement Don't be stressed because of new subjects or the workload. Take this year as it becomes and Enjoy it!

You are the seniors of the school, set an example for the young ones and be kind to ALL.

We would will like to congratulate Lienka SterFontein on winning the Jacket competition. We would also like to congratulate Mrs. Kotze on her beautiful baby girl Mia.
