

Grade 7's say farewell to school and hello camp!

Written by: Lauren Cranke, Tyler Jochems and Susie Mckelvey

Die graad 7 klas van 2018 is baie opgewonde want hulle kamp is Woensdag 14 tot Vrydag 16 Maart 2018. The camp is not the same as the other grades camps because this will be our last camp for our primary school career. Die graad 7 klas van 2017 het ons baie dinge oor die kamp vertel soos die tunnel van liefde gevul met modder asook die lekker tyd wat mens het om met ons mede Evers te kan spandeer. There was many other things they told us, but this year is our chance to enjoy every moment and have a blast. Maak nie saak waarheen ons gaan nie, ons respekteer almal rondom ons, ons sal ons leuse, skoolreels en skoolliedjie neem en dit naby ons harte hou.

The learners who were chosen for the A and B hockey squad, will only be attending the camp for a short while, because they have a Knysna hockey tour. Ons hoop hulle sal 'n ongelooflike tyd by hul toer hê. We hope they win their matches by playing fair and represent the school well as they always do.

Die graad 6 gaan kamp is ook in dieselfde week as die graad 7 se kamp. We hope they also have a great time and enjoy their surprises as well as their ups and downs. Die graad 7 se kamp gaan wonderlik wees en dit is werklik 'n opwindende tyd vir almal in die graad 7 blok. While the grade 6's and 7's are away, the younger grades will play in their areas.

Ons hoop met ons hele hart dat almal hulle verskeie kampe gaan geniet. It is important to remember that the friend and the memories we make will last a lifetime and therefore we must make it worthwhile.
