

MTBS 2018

Deur Cara Kitshoff

Hello Eversdal, ek het julle nie by die Ever braai gesien nie, want ek was besig om die MTBS te kyk. I am pleased to share the following with you:

Op 7 Februarie het die 4 Hoërskole DF Malan, Tygerberg, Bellville en Stellenberg by die Bellville Velodrome bymekaar gekom om die Paweljoen Vertonings te hou. The gates opened at 4 in the afternoon and as soon as the gates open people from all directions started rushing in with high expectation of what is to come.

Eerste aan die beurt was Bellville Hoërskool. Hulle tema was: Sing en dans in Afrikaans. Hulle het musiek instrumente uitgebeeld en bekende liedjies soos: Kaptein span die seile asook die bekende Liza se klavier.

Tygerberg followed up with the four elements namely Earth, fire, air and wind. What captured the audience about their performance was the part where they provoked a sense of responsibility to save water. Hulle het krane geflash en duidelik daarby gesing dat ons water moet spaar.

Volgende was dit DF Malan. Hulle tema was: "USA Road Trip" Hulle het al die groot stede en areas van Amerika uitgebeeld. Daar was 'n paar goeie en moeilike Bewegings en Liedjies gebruik om hulle kreet so goed te maak. They mastered the flashes and gave the audience very good value for their money.

Laaste maar nie die minste nie was Stellenberg Hoërskool. Hulle tema was :”Around the world”. They portrayed all the biggest countries and very importantly, they did not forget about our own beautiful country, South Africa. Hulle was regtig baie goed en presies met wat hulle doen.

Op 8 Februarie het die skole weer bymekaar gekom by Groenpunt stadion sodat die atlete hulle talente vir ons kan kom wys. Hier was daar ook gekyk na watter skool die meeste gees het. The athletes showed us why MTBS is always such a big attraction to the public every year.

Daar was ook aan atlete pryse gegee vir die meeste punte wat ingesammel was en natuurlik as hulle in hulle katogorie gewen het.

The winners of the Geesbeker this year was DF Malan and everyone agrees that it was well deserved. Stellenberg outperformed the other schools and won both the Sangbeker as well as the Atletiekbeker.

Ons wil graag hiermee geluk sê aan al die atlete wat deelgeneem het en ook die ondersteuners en onderwysers te bedank wat dit moontelik gemaak het vir ons om die MTBS te kon waardeer en geniet.

If you want to have a look at the flashes you can go have a look on Youtube. We want to urge you to go have a look as you will be amazed with what these schools can do with their blazers.
