New York

Deur: Anouk Nel en Magda-Mari

Meneer Arangies het 'n kort vakansie New York toe gehad. His plan was to go New York City from the 4th to the 12th of January 2018, but there were big storms in America so the plans could not fly. Hulle het vier dae in Johannesburg gesit frustreerd en kwaad vir die feit dat hulle al in die beroemde stad kon sit. They came back to Cape Town just before school started. Die goeie nuus het aangebreek en hulle kon toe die 25ste Januarie 2018 Suid Afrika verlaat op roete na NYC.

Sir enjoyed walking in Central Park, Time square or Broadway. Meneer het die Amerikaanse hamburgers, roasted nuts of hotdogs geet en dit baie geniet. According to Mr. Arangies the snow was incredible. Hy het die volgende gesê in verband met die ervaring: "Op elke hoek was daar 'n starbucks. It was like walking in the movies. Die geboue was groot en het masiewe advertensieborde gehad."

On 2 February 2018 Sir had to say goodbye to New York. Dit was nie lekker om te groet nie, maar hy het sy Evers baie gemis. We are really glad that he is back safely.
