

February is the month of love and chocolate!

Written by; Lauren Cranke and Tyler Jochems

Valentine's day this year is on Wednesday the 14th of February. Waroor gaan Valentynsdag? Valentine's day is when you give the person you are romantically attracted to flowers, chocolate or a card to show that you truly appreciate them. In laerskool Eversdal mag ons rooi, pienk en wit kleure dra om hierdie dag saam as Evers te geniet. We wear our civvies as if it was our school uniform with faith, discipline, respect and integrity. Hierdie dag is baie belangrik vir ons as skool want dit gee ons die geleentheid om ons skool se lese, wat lees; Ons gee uit te leef. Hier is iets wat jy vir jou geliefde of vriend kan gee:

How to make it:

Step 1: Get a coloured or non-coloured paper plate and coloured or non-coloured paper.

Step 2: Knip twee vinne, 'n stert, vis mond en 'n hartborrel uit.

Step 3: Stick the cut outs on the plate in the shape of fish

Step 4: Gebruik sellotape om die sjokolade van jou keuse aan die agterkant van die bord vas te maak.

Step 5: Enjoy (steal a chocolate). Give to your loved ones or friends.

Ons hoop dat jou Valentynsdag mooi en vol pret is. Everyone looks beautiful in their red, white and pink clothes and it looks like they are enjoying their day! Let's all dress up, show up and enjoy a wonderful day, filled with love and laughter as an Ever family.
