**TEMA VAN DIE JAAR / THEME OF THE YEAR:**  
**EVERS LAAT 'N SPOOR NA**  
**EVERS LEAVE A TRAIL**

Dear Parents/Geagte Ouers

Dit sou verkeerd wees as ons nie 'n opmerking maak oor die gebeure wat homself die afgelope paar weke langs die rugbyveld afgespeel het nie – die opmerkings is ook op ander sportsoorte van toepassing van al die aktiwiteite waarby ons leerders, ouers en personeel betrokke is.

Western Province Preparatory het ons Donderdag gekontak om hul wedstryd van 25 Augustus teen ons te kanselleer. Dit is/was na aanleiding van die insidente wat tydens die SACS-wedstryd plaasgevind het. Die WPPREP ouers is deur die SACS ouers ingelig oor die “gedrag” van die Eversdal-ouers langs die sportveld.

Mr Naas Beets could give WPPREP “our version” of what had happened during the U/13A-game and convinced them to continue with their fixture against us. It would be fine if this was an isolated incident or misunderstanding, but we are sad to report that there are other incidents where our parents did not behave in a fashion befitting a proud Eversdal parent.

It is disturbing to listen to the remarks and watch the actions of parents and some coaches on and next to our sport fields. We are not referring to parents/coaches from other schools, as we can do nothing about their behaviour and we cannot influence the way they instil values in their schools. **We can only appeal to the behaviour and actions of our own parents and coaches.**

Ons probeer ons kinders opvoed om volwasse en ordentlike jong manne en meisies te word. Die lewe is nie altyd regverdig nie en ons word gekonfronteer met baie negatiewe dinge – swak skeidsregters; skelm (in sommige mense se opinie) skeidsregters; ongeskikte afrigters en/of onetiese afrigters.

The conflicts between parents and referees (and parents from opposing schools) are getting out of hand and **WE ARE NOT AN EXAMPLE** for our boys and girls. Our children listen and observe what we as adults do and we are afraid to say that we cannot be proud of the example some of our parents are setting next to the sports fields. We understand that things on the field can upset us, but we would like to instil a value system in the learners of our school that we deal with these things with dignity. Our boys and girls are not seeing this next to our fields.

Ons doen 'n beroep op ons ouers om rustig te raak langs die velde. Wanneer u wel ongelukkig raak oor iets en u voel dat u kind benadeel word, sal dit goed wees as u na 'n wedstryd met hom/haar praat en die situasie verduidelik. Op so 'n manier sal u kind van u as ouer baie meer leer as wanneer u konstant op die skeidsregter of afrigter skree.

We will also have a very serious chat with our own coaches as they have the responsibility to manage our own players on the field. We cannot play sport outside of the rules ONLY because the other team does it – we need to teach them what restraint is and why it is important.

Elke ouer en afrigter is 'n ambassadeur vir/van Laerskool Eversdal en ons elkeen verteenwoordig 'n volwasse Eversdalfamilie van ongeveer 2600+ mense – ons 1300 kinders uitgesluit. Wat u langs die sportveld doen of sê, reflekteer op die mentaliteit van elkeen van ons in die skool.
