**VERRYKINGSPROGRAM 2019**

Laerskool Eversdal glo daaraan om vir u kind op akademiese-, sport- en kultuurvlak soveel as moontlik te bied. Aangesien hierdie skrywe net kortliks die verrykingsprogram aan u verduidelik, is u welkom om die betrokke kontakpersoon vir meer inligting en/of inskrywings te kontak. Ons glo u kind sal ook hier sy/haar nis kan vind.

**1. DRAMA**

Wil u graag u kind se selfvertroue, luistervaardighede, kommunikasie, stemprojeksie en kreatiwiteit ontwikkel? Dan is die dramaklas die plek om te wees!

### 3. CODING

Programmering stel kinders in staat om die wêreld waarin hulle leef, beter te verstaan. Die digitale platforms rondom ons is onvermydelik - kommunikasiedienste, finansiële instansies, en inkopies word deesdae alles beheer met die druk van 'n knoppie. Dis 'n wêreld wat nie misgekyk kan word nie en daarom is dit noodsaaklik vir kinders om 'n basiese kennis op te bou om sodoende suksesvolle landsburgers te kan wees.

**3. CODING**

Learning to code prepares children for the world we live in today. Today, computing is involved in almost all aspects of our lives, from communication and education to social media, banking, information, security and shopping. If learners are taught biology and mathematics in order to understand the world around them, then knowing the basics of how computers communicate—and how to engage with them—should be a given.
