

NON-SCHOOL SPORTS EDITION

BUITESPORTUITGAWE

15 MARCH 2019

GEAGTE OUERS: NEEM ASSEBLIEF KENNIS RAKENDE DIE PUBLIKASIE VAN SPORTPRESTASIES

Die bestuur van die skool het besluit dat die sportprestasies van ons leerders/spanne wat weekliks in die Everfokus verskyn, slegs van toepassing sal wees op amptelike skoolsport. Erkenning van "nie-amptelike" (buite) skoolsport se prestasies sal op 'n kwartaallikse basis in 'n spesiale buitessportbylae op die laaste Vrydag van die kwartaal verskyn. Dit is ook belangrik dat ouers verstaan dat, om buitessportuitslae te verifieer, gaan die skool slegs uitslae publiseer wat vanaf 'n amptelike sportliggaam (bv. klub, WKOD, ens.) aan Mev. Salomina du Plessis (Sporthoof) gerig word. Ouers kan wel uitslae stuur, maar amptelike bewyse moet aangeheg wees. Baie dankie vir u samewerking in dié verband.

DEAR PARENTS: PLEASE TAKE NOTE REGARDING THE PUBLICATION OF SPORT RESULTS

The management of the school has decided that the weekly publication of sport achievements of our learners/teams, in the Ever Focus, will only be applicable to official school sports. The recognition of 'non-official' (outside/external) sport achievements will be dealt with on a term basis, by means of a sport bulletin dedicated to outside sport achievements. This will be released on the last Friday of the term. It is also important for parents to understand that in order for the school to verify the achievements for outside sports, the results must be submitted directly to Mrs Salomina du Plessis (Head of Sport) by an official sport body (e.g. club, WCED, etc.). Only these results will be published. Parents can send results, but official proof must be attached. Thank you for your co-operation.
