Goeiemiddag Ever Ouer(s)

Wanneer die winterseisoen aanbreek, is ons verseker al volstroom in die jaar. Dit blyk al 'n gewoonte vir mense om te erken dat elke jaar vinnig verloop. Die risiko is dat ons só besig raak, maar vergeet om te stop en te geniet. Ek hoor dikwels hoe ouers, veral diegene met meer as een kind, van bakboord tot stuurboord jaag om almal in die gesin op die regte plekke te kry. Die realiteit is ons enkelouers moet ook hierdie berge elke dag klim. Ek salueer elke Ever Ouer wat soveel opoffer om seker te maak dat die klein Evertjies in 'n groei-omgewing hul kinderjare kan geniet.

When we talk to parents, we realise that as an adult you did not accomplish school once; you do it again... and again! Our Parents are "in school" and if you were in a different primary school, you now have the opportunity to be with us in Eversdal. That does not only entail aspects of the school, but everything of the school. You are with us through the highs and lows. You study all the academics with your child, but also have the experience of all the activities that makes school a fun place to be!

Wanneer u dink aan u eie skooljare is ek seker dat gemengde gevoelens by u ontstaan. Dalk 'n onverdiende pakslae of onderwyser van wie u nie van gehou het nie, maar ook al die lag en die lekkertes. Jy het van pouse na pouse gelewe, al die verskillende speletjies. Die sport, toere, graadkampe, DAMUS, konsert, kaskardag, musiek, kuns, STEM, Coding en Robitcs, kreatief wees, om saam in 'n bus te ry, sangperiodes, pretdae, snoepie, Everkilo, markdae, fondsinsamelings, karnaval, uitstappies en vele meer.

The open plan lifestyle towards the pool, garden and outside entertainment area, with stunning views of Table Mountain, allows for endless entertainment and creating special memories. The modern farm style kitchen, which is fitted with a gas stove, has a large centre island ideal for cooking whilst interacting with the rest of the family. The spacious lounge/dining room has a wood fire place to warm up those cold winter evenings. The outdoor entertainment area is spacious enough to fit a small lounge suite to get comfortable in front of the braai and a dining area. Whilst the kids can enjoy the swimming pool, the adults can relax in the Jacuzzi. The outside lapa can be fully enclosed on a cold winter evening.

'm trying to make the point that school can be a place of belonging, but you must be involved. The difference between fitting in and belonging: Fitting in means you must change yourself to be like the rest. Belonging is being your authentic self and finding something at school where you are accepted for that. A place to feel that you are part of something special.

We do not always get it right, but together we can create enough opportunities for our learners to achieve the above.

Baie sterkte vir die week, asook die langnaweek wat voorlê. Rus lekker en indien u weggaan om kwaliteit tyd saam te spandeer, reis veilig.

Regards
