Edition 9 (2023)

Goeiemiddag Ever Ouer(s)

Dit is vir my 'n voorreg om my eerste Everfokus as Skoolhoof van hierdie spesiale skool te skryf.

Die afgelope week was vir my oorweldigend en ek ervaar steeds die ongelooflike gevoel van goedheid en guns. Ek word sedert die aankondiging oorval met boodskappe van gelukwensing en ek waardeer dit opreg. Dit is baie spesiaal om hierdie groot ondersteuning te ontvang en ek moes meeste van die boodskappe meer as een keer lees, want die woorde word so eg bedoel. Ek staan in nederigheid en aanvaar die verantwoordelikheid om die skool te lei.

No person becomes great on their own. The people around them help to make them great. We all need people in our lives who raise our standards, remind us of our essential purpose and challenge us to become the best version of ourselves. Albert Schweitzer said, *“At times our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have ignited the flame within us”*.

I must thank everyone in my life that invested in me to develop and grow into the best version I am today. What excites me is that all of us are a version of ourselves today, but that we can continue to grow into something extraordinary.

This moment is not about me, it is about the school, the three overlapping circles that create an identity that we strive towards and measure ourselves against. When we align for a common cause, we can change the outcome of every learner in the school. An audience of one approach to ensure that we create the best possible environment so that every child in the school can reach their full potential.

Ek is opgewonde vir die pad wat voorlê en ek weet dat verskillende berge sal kom en gaan, maar wat konstant sal wees, is my fokus om ons skool se omgewing van omgee en diensbaarheid te handhaaf sodat al ons leerders die kapasiteit wat hulle eendag sal bereik, kan gebruik tot voordeel van ander mense. Ons werk elke dag met iemand anders se grootste en belangrikste geskenk/besitting – 'n bate as te ware. Ons investeer en belê in hierdie bate, maar aanvaar dat ons nooit die dividende sal sien uitbetaal nie. Ons berus by die feit dat die basis wat ons bou, die potensiaal het om ons leerders die geleenthede te gee om die wenkaart wat oor hul lewensreis kom raak te sien en die moed het om die kaart te speel.

Mag u elke dag die seën oor die skool ervaar!

Regards
