

THE VISION AND MISSION OF EVERS DAL PRIMARY SCHOOL

VISION

To transform education and instruction in order to empower our learners to become responsible citizens who are committed to the protection of our natural environment, within a changing global economy and society.

MISSION

To deliver RELEVANT education and instruction through:

Offering school activities where an understanding is more important than mere knowledge.

Learning that can take place anywhere and at any time.

Creating an environment where both TEACHERS and Learners are life-long learners.

Creating a learning environment where there is a constant awareness of our learning being an integral part of the world we live in.

Developing creativity and innovation (21st Century Skills).

The informed use of social media to support research and communication, while strengthening social responsibility and digital literacy.

Social engagement during creative classroom activities, encouraging the learners to become citizens who are critically engaged in finding solutions to problems, to the benefit of humanity.
